OUR GUARANTEE

All items are guaranteed to be true to name and of the size and age indicated. We have been growers of lining out stock now for 90 years and consider our host of old and new customers our greatest asset. We always strive to please and do not consider any deal complete until our customer is satisfied in every respect.

TERMS

Cash in full with order earns 3% discount. Boxing and baling will be charged for at actual cost only. Cash customers will be billed for boxing after shipment.

TO ESTABLISHED CREDIT,

2%-10 days from date of invoice. All accounts due 1st of second month following date of invoice.

RATES

5 of same size and variety earns 10 rates, 25 of same size and variety earns 100 rates, 250 of same size and variety earns 1000 rates.

SEEDLINGS

indicated by age, and the word sdls. following. For instance, 2 yr. sdls. indicates seedlings two years old and not transplanted.

TRANSPLANTS

are indicated with an "X" after the item, and each additional X means an additional transplanting, such as XX indicates the item is twice transplanted.

CHRISTMAS TREES

Approximately 40 to 50 million Christmas trees are used in this country annually, and the growing of them in commercial plantations is getting to be a very lucrative business. Good planting stock is imperative for success. We grow large quantities for this very purpose and can supply quality trees at reasonable prices. Plant a few acres every year and you will soon have a nice annual income. We would be happy to advise you on soil, cultural practices, etc.
